Getting to us from Zurich is easy, simply take the A13 motorway and follow the signs to Chur. At the Reichenau motorway intersection, turn right onto the main road to Flims. From there, it's approximately another 15 minutes' drive to Laax-Murschetg. After you come out of the Prau Pulté tunnel, you come to a roundabout (Coop petrol station), where you take the first exit on the right. After 300 m you will see the Laax Murschetg base station on the left-hand side with the entrance to the car park.

The quickest way to get to the Mountain Hostel is via the Murschetg - Crap Sogn Gion cable car. On the day of arrival, your room will be available from 3 pm.

MOUNTAIN HOSTEL

Baggage handling

To facilitate your arrival, we would like to briefly outline how you can transport your luggage to the cable car.

Please drive directly into the car park and follow the main track until you reach the exit at the Crap Sogn Gion aerial cableway. You can deposit your luggage on the left-hand side, in front of the door of the car park. Your luggage will then be transported to the Mountain Hostel from 2 pm onwards.

Parking spaces

Parking spaces are provided for your vehicle on the P3 lower parking level at a reduced price of CHF 15.00 per night. Please find enclosed the relevant parking voucher, which we request that you place in a visible position behind the windscreen, for verification and security purposes.

Unfortunately, outside of this parking level we cannot offer you the special price arranged with the owner of the underground car park, and we would have to charge you normal parking fees (CHF 28.80 per day). Get the exit ticket for the underground car park from the Mountain Hostel.

We wish you a safe journey and a pleasant stay.
